

# 4.23 Inch Rains Fall Here

## PARKS

By Bill Berger

Ralph Bilhartz was in the car this week, telling us about the accident, when the car was driving turned over. He said that when she was on the telephone for help, after the accident, that she was on their party line left receiver off the hook, making it impossible for her to call. She was forced to drive an old car, with no headlights, and the delay was bad. Bilhartz, who was bleeding.

Bilhartz told us about the accident, in hopes that the story would remind everyone to be careful and put the receivers down on their lines. Some occasions out to be emergencies.

## FEED PROGRAM EXTENDED UNTIL JUNE 15--ASC

The emergency feed program for Medina County farmers and ranchers has been extended through June, the Agricultural Stabilization Committee announced.

Applications may be made through June 15 for a feed supply.

Feed must be purchased and received prior to June 30. Application blanks are available in the Medina County ASC.

## Mary Alice Timmerman Leads B & PW

Mary Alice Timmerman will preside Monday, June 13 as president of the Hondo Business and Professional Women's Association.

Miss Timmerman was elected to serve with Mrs. Timmerman, recording secretary; Mrs. Mary Louise Zinsmeyer, treasurer; and Mrs. Zinsmeyer, corresponding secretary.

Officers will be installed at the installation banquet June 13.

The group voted to close its year project of piping water to cemeteries because of lack of funds.

B&PW hopes to take the project before the city council at the last attempt at keeping burial grounds green and neat.

At least we have stirred people so that they know we have water," commented Miss Timmerman. "That's the purpose we accomplished."

Mrs. Mary Ruth Cameron, the Timmerman sisters will be the state convention June 13 in Brownsville as delegates.

Thelma Lynch and Mesdames Marguerite Murrill and Windrow will also at-

## Driver Falls Asleep, Truck Turns Over

A freight truck driver fell asleep and hurt an elbow in an afternoon turnover Friday, May 13.

The driver, John Stofa of San Antonio, dozed a quarter mile west of the Hondo bridge at 1:45 p. m. When he woke up the truck was in the wrong lane.

He whipped the wheel to the right to avoid hitting an oncoming car, then attempted to righten the auto's course.

The truck turned over once, landing in the middle of Hwy. 170. Stofa was taken to Medina Hospital where he was treated for an injured left elbow.

GEN. JOHN A. FOSTER

## 56-C To Hear Gen. Foster

Brig. Gen. John H. Foster, originator of the Alamo wing of the Air Force Reserve, will be the featured speaker at graduation exercises for Class 56-C on Armed Forces Day, Saturday, May 21.

Gen. Foster, a native of Waco and an insurance executive in civilian life, activated the Alamo wing in 1951.

He organized and commanded the first radio-controlled target squadron in World War II, and later supervised the 25 squadron radio control target program in Washington.

The general received the Bronze Star medal and the Order of the British Empire for distinguished service in the Mediterranean.

Active in many civic clubs, Gen. Foster is a member of the 14th Air Force Policy Board, the Air Force affairs committee and is chairman of the Randolph AFB memorial committee.

Eight Hondo organizations will do their part in the activities scheduled.

The Owl band will lead the review at 9:30 a. m.

The Civil Air Patrol will conduct an exhibit showing an L-16 plane the CAPs are rebuilding and a complete radio station.

CAPs will be in uniform to show visitors the exhibit.

Two flyovers of 16 T-33s are scheduled at 9:34 a. m., 2:19 p. m. and 2:48 p. m. Eight F-51s will fly over at 9:41 a. m. and 1:11 p. m.

## Ethel Riff Falls In Rain, Cuts Forehead

Ethel Riff, REA secretary for Riggs Shepperd, was one of the casualties of the beneficent rain Tuesday, May 10.

Miss Riff fell on a slippery sidewalk in midafternoon in front of the telegraph office, cutting her forehead and sustaining a hard laceration on the back of her head. She was momentarily knocked out.

Three stitches were taken in Miss Riff's forehead at Medina Hospital.

## Grant Sentenced; 1st Women On Jury

James Lee Grant has been sentenced and his parole has been revoked.

Grant, a San Antonio Negro convicted of slaying a Negro woman Aug. 15, 1954 near Hondo was sentenced to from two to 18 years in prison by action of Ross E. Doughty, judge of the 38th Judicial District, here May 6.

Also, Judge Doughty appointed a jury commission and swore in the five members, two of whom are the first women in Medina County ever appointed for this duty. Previously two women served on an insanity trial.

The members include James R. Duncan of Hondo, Ward Boehme of Castroville, George H. Briscoe of Devine, Edna May Delavan of Devine, and Rosa M. (Pye) Haass of Hondo, who recently resigned permanently as

## Crusade Nets \$1,034 To Fight Cancer

The Medina County unit of the American Cancer Society has completed a successful crusade.

Mrs. Jake Schuehle, finance chairman, announced that the county has collected \$1,034.98 with but one town remaining unreported.

"The quota set for Medina County was \$1,500. The amount collected represents a substantial success in its first year of having a county organization unit which has made a concerted effort to raise funds for this cause," Mrs. Frank X. Vance, chairman of the Medina County Unit stated. "Mrs. Schuehle, in charge of the Cancer Crusade, which included the cancer coffees and other solicitations for funds, is to be congratulated upon a job well done. She has been tireless and faithful in her efforts in this undertaking. I join her in thanking everyone associated with this endeavor and contributing to this cause."

Cancer coffees were held in Devine, Castroville, LaCoste and Hondo. Volunteer workers collected contributions from the patrons in Hondo and Devine banks.

Business houses in Hondo were contacted by volunteer workers and contributions solicited. The people in D'Hanis will be contacted Sunday after, each mass at the Holy Cross Church. John Zinsmeyer will be in charge of collecting donations from those desiring to contribute.

The Medina County unit of the American Cancer Society is qualified to accept memorial donations. Anyone desiring to make such a contribution will please send it to M. C. Jaegli, treasurer of the county unit from Hondo, along with the name of the person to whose memory the donation has been made and the name and address of the person to whom acknowledgement should be sent. Any contribution so made will be counted in the annual quota to be met by the local county.

## 10 Draw DWI Fines, Over Two Weeks

Ten drivers arrested for drunk driving were sentenced by the court over the last two weeks.

The 10 all received sentences of three days and fines of \$100 each. They are Jose Angel Pompa, Pedro Moreno Lopez, Abel Sandoval Garcia, Beverly H. Spaw, Jr., Victor Gutierrez, Kenneth Henderson, Jose Botello, Sr., Aubrey L. Roberts, Robert Flint and Leonard Wood.

Two others were convicted of aggravated assault. A third drew a fine and sentence for unlawfully possessing a pistol.

Eduardo Ytuarte was fined \$50 and costs for committing assault upon the person of Felix Ytuarte April 29. Jesus Gauna got \$25 and costs and 10 days in jail for a similar offense.

Darl J. Huntsman drew three days in jail and \$100 in fine and costs for unlawfully carrying a pistol.

The adjutant said he would probably contact his replacement, Capt. Jay Maynard, Saturday when Capt. Maynard will be in Hondo to find living quarters. The new replacement will not be here for duty until sometime next week, Adjutant Lovelace said.

In a separate action Judge M. D. (Buck) Jones of San Antonio tacked on an additional three years to the sentence this week by revoking Grant's parole. The Negro prisoner was on parole for possession of narcotics at the time of his arrest for murder.

Miss Geneva Jackson was killed in a moving van hanging. Grant, who was convicted of murder with malice aforethought in the January term of court, was given credit for 291 days already served in the Hondo jail.

There was no application for a new trial after Judge Doughty sentenced Grant, district clerk Emil Britsch said.

## For Civil Defense

## Commissioners To Name Coordinator

Any day now a coordinator will be named for county civil defense.

Commissioners Court voted unanimously in favor of this action at the regular May term Monday, May 9. Emergencies would include any public disaster such as tornadoes, fires, floods and the possibility of an atom attack.

Under this plan set up in booklet form by the state civil defense program, the county judge and mayors of incorporated cities within the county would compose a county defense council for the purpose of educating the populace in countering disasters.

The council would designate a director for the entire county and arrange for coordination of effort of all units of government within the county.

Five days earlier the commissioners and the sheriff's department mingled with a group of 25 county citizens to get the program started. Capt. N. R. Smith of San Antonio and Steve Forest, chief of radio communications at Boerne, spoke to the group on civil defense. People from Mico, LaCoste, Natalia and Devine attended.

May 9 commissioners authorized Alfred J. Rohrbach to purchase an adding machine for his office at a price not to exceed \$337.50 net.

## Lovelace Presented Ribbon

Chief Warrant Officer Hose H. Lovelace was presented a commendation ribbon Tuesday, May 10 about which he had been notified in June, 1945.

The Hondo Air Base adjutant and finance officer will leave soon on furlough before reporting to a port of embarkation for another tour of service overseas.

The medal was presented in Lt. Col. Earl V. Riley's office by Col. Riley, the post commander.

The ribbon was originally awarded by letter from the office of Gen. Henry H. (Hap) Arnold in June, 1945, but never was formally presented to CWO Lovelace.

As a master sergeant Lovelace was given the medal for "exposing unjust treatment given military personnel on public carriers in the U. S. and subsequent investigation on improper use of government-paid transportation requests, resulting in a tremendous saving to the government."

Col. Riley discovered the cause for the ribbon from old records. Meanwhile, CWO Lovelace is preparing to leave the base next Thursday, May 19 for Parks AFB, Pleasanton, Calif. as a preliminary stage before being transferred to Japan. The adjutant will have 30-days leave plus travel time before reporting to Parks AFB June 25.

The adjutant said he would probably contact his replacement, Capt. Jay Maynard, Saturday when Capt. Maynard will be in Hondo to find living quarters. The new replacement will not be here for duty until sometime next week, Adjutant Lovelace said.

In a separate action Judge M. D. (Buck) Jones of San Antonio tacked on an additional three years to the sentence this week by revoking Grant's parole. The Negro prisoner was on parole for possession of narcotics at the time of his arrest for murder.

The group also voted for a two-way radio system installation and to accept payment of one-half the cost by the federal government after seeing a letter from William L. McGill, state civil defense coordinator.

Said McGill's letter: "I am pleased to advise that the Federal Civil Defense Administration has approved our recommendation for the allocation of \$1,622 in federal funds to apply on your \$3,244 project for communications equipment for the county of Medina."

Sheriff C. J. Hitzfelder was granted the authority to appoint a regular deputy sheriff to replace O. W. Swartzell, who has resigned to accept employment as Hondo chief of police.

## ALL'S QUIET ON COUNTY POLIO FRONT

All's quiet on the county polio front.

The county health unit received a telegram this week from the state health department assuring it of getting the second round of Salk vaccine, but not saying when the shipment would arrive.

The first shots were given in the county April 25-26-28. Second shots were supposed to follow from two to four weeks after the first round of shots. However, Dr. Salk, founder of the mixture that believed to make children immune to polio, has said this week that a longer period than the month between first and second shots will not harm their effectiveness.

A turmoil caused when some children contracted polio after being given shots has stalled the wave of inoculations over the U. S. until the government determines whether some of the vaccine may be defective and polio-giving or whether the polio virus was already in the child's body when the shots were given.

No county cases of polio have been recorded since the immunization shots were started in late April.

## Natalia Sons, Fathers Hear A. & I. Speaker

NATALIA—Frank B. Wines of the Agricultural Education Dept. of A. & I. College of Kingsville served as the guest speaker at the father and son banquet sponsored by the local FFA chapter Thursday night, May 5.

Wines' subject was "The Importance of F. F. A. Chapters In Every Community." He was introduced by James N. Kaderli, superintendent of schools for the Natalia Independent School District.

Bill Kirby, president of the local chapter gave a summary of the year's accomplishments of the chapter, and expressed gratitude to all those who have assisted and encouraged the boys in the past year. Special honorary membership awards were given three local men for cooperation. The awards were made by B. C. McDonald, chapter adviser, and went to J. N. Kaderli, Clyde Day and "Little Willy" Forbes, Jr.

Festivities took place at Chacon Lake, and after the invocation was given by the Rev. Bud Engstrom, minister of the local Community Presbyterian Church, a feast of barbecued chicken and cabrito prepared by Clarence Fabish and Wayland Day, was served with potato salad, ice tea and soda water. About eighty-five were in attendance.

## Lions Ladies Night Banquet June 4

The annual ladies night banquet will coincide with the installation of Lions Club officers Tuesday, June 7 at the high school auditorium.

The date was settled at the Wednesday Lions' luncheon May 11.

## Talk About Cockeyed Chickens!

BIRY — Winds do freakish things.

Take a look at what met Armin Bendele's eye following a windstorm at his place Saturday afternoon, May 7.

After the wind had passed, Bendele noticed one of his chickens wearing a fruit jar ring around its neck.

## DelRioan Killed In Castro

James Leonard Hinkle, 66, a resident of both Del Rio and San Antonio, was killed instantly in a traffic accident at 8:30 a. m. Monday, May 9 at Castroville.

It was the fourth traffic casualty of the year in Medina County. The driver of the car, Thelma Hinkle, sister of Leonard Hinkle, has been charged with having no driver's license. A grand jury here June 6 will consider whether or not charges of negligent homicide will be filed.

The grand jury can return a misdemeanor indictment for negligent homicide or it can find no bills returned against Thelma Hinkle.

The driver apparently fell asleep at the wheel as she came abreast of a Humble filling station in Castroville going east. The car hit a curb on the left side of the highway, then turned down Lafayette St., hit a telephone pole on the right front side of a glancing blow and came to rest.

The passenger, James Hinkle, had turned down the car window, and was asleep with his head resting on the car door. Apparently, his head struck the telephone pole.

Mrs. Hinkle had passed a school bus going downhill just prior to the accident.

Services for Hinkle will be held in Greenbrier, Tenn. near Nashville.

## Ice Balls Fall North Of Hondo 7th

This unpredictable Texas weather!

Saturday featured mid-ninety temperature here, while Alvin J. Neuman, fabric worker at Hondo Air Base, ran into a winter wonderland on the Bandera Road.

Hail about 1/4 inch in diameter pounded down as Neuman plowed through three inches of the icy motoballs that lay on the road.

Neuman noted cascades of green oak leaves fell on the white frozen stuff as the stones cut the leaves from the trees. In one place a tree lay across the road.

One car slushed into a puddle of water, stalled, then backed out again, its radiator grill piled high with hailstones.

Neuman presented a hand-made canvas fishing bag stuffed with hailstones to prove his tale.

## Driver And Passenger Are Booked

A driver was arrested for driving while intoxicated and a passenger in the same car for being drunk after the car ran off a road the afternoon of Monday, May 9.

The car drove off to the left of the road, 22 miles north of Hondo on the Bandera road, went into a ditch and through a fence into a pasture. Robert Flint of Bandera was booked on a DWI charge and Travis Mauldin, also of Bandera, for being drunk.

The men suffered minor scratches and there was \$150 damage to the car.

## 3.75 Inch Rain Tuesday Best In Area

A real gully-washing rain, Hondo's best of the year, brought an official 3.75 inches Tuesday, May 10.

Also, it was the top recorded moisture in South Texas for the day. Hondo has not received a like rain in over a year.

An added 3.9 late Wednesday afternoon together with .09 May 7 gave Hondo a total of 4.23 inches of rain for the week.

Said County Agent C. B. Gaston, "It did lots of good, and penetrated well into the soil."

A black frost that killed crops March 28 and stunted others may be offset by the present moisture. Gaston said heira, maize, hay, sudan and broom corn will "come on through." Some say one more good rain will "make crops."

The rain, which hiked up as much as 4.22 inches in some parts of town, started falling at the government gauge in the southwest part of town at 1 p. m. and continued past 12:15 a. m. Wednesday when the R. A. Carters went to bed. At 12:15 a. m. Mrs. Carter said 3.60 inches fell. Carter then looked again at 7:30 a. m. Wednesday and the vial held its maximum amount.

One of the top readings made known was 12 miles south of Hondo on the Yancey Rd., which Mrs. Carolyn Mitchell said measured 5.5 inches. Added to this was .6 of an inch last Friday, May 6, or a total in four days of in excess of six inches.

A. J. Graff reported 4.70 inches at his place southeast of Hondo. He said the slough was running and the tanks were full after two showers hit, one for 3.62 inches Tuesday afternoon, the other in the evening, adding 1.08 inches to the total.

H. H. Decker, who lives four miles north of town, said he had a near five inches of moisture.

While Dr. O. B. Taylor found 4.22 inches in his rain gauge in Hondo, he said at his ranch north of D'Hanis there was only 1.50 inches. Also, on the Seco Creek, and at both Judge Arthur H. Rothe's and Dr. E. L. Kelley's only one inch was measured.

Charles Monkhouse, who lives close to the J. B. Chadwick Ranch about five miles southwest of here, said over five inches fell at the ranch. Two inches was reported at the Vance Ranch.

Castroville got 2.2 inches and even more was said to have fallen at Rio Medina. There was a five-foot rise at Medina Lake, a reliable source said.

At the Settlement near Dunlay Mrs. Johnny Schweers said 3.1 inches fell and "we had a change of music-frog music."

Biry got up to 2.5 inches at the Otto Mann, Jr. home Saturday said correspondent Mrs. Adolph Hutzler, and also reported hail as large as baseballs.

Noonan-Pearson, said Mrs. Louis Stein, had an inch. Phil Jagge, who lives north of Hondo 18 miles where rains generally hit heavily when they do arrive, said he got 1.5 inches of rain.

Last weekend hail and rain fell in a swath that cut over the Hill Country hump through Bandera and down the slope in a southeasterly direction. Hail Saturday evening stripped leaves from the oak trees between the Jack Weber and Wesley DeGroot ranches, and came down so fast on the hillsides it looked like snow. The swath north of Hondo was about two miles wide.

Another hailstorm Saturday covered an area between Biry and Dunlay, stripping leaves from trees and ruining crops. Some barn roofs were blown off by the wind, and trees were damaged. Medina Electric Co-Op reported some outages, but did not have serious damage to their lines in the hail area.

The sudden deliverance from drouth also has made a good weather prophet out of Judge Ralph J. Noonan. The county attorney told the Anvil Herald the morning of the rain that "we're just one month behind and we'll get April's rainfall in May."

Judge Noonan said an inch fell Saturday at his ranch four miles east of Dunlay. Saturday also Verde Creek was reported on a rise deep enough to block traffic. Mrs. Paul Bendele reported a half-inch Saturday eight miles southeast of Dunlay. Hail fell

## At St. Louis Choraleers In Spring Festival

By Rosalie Stein

CASTROVILLE — The St. Louis Choral Club participated in the spring music festival presented by modern music masters at Our Lady of the Lake College April 27.

The group sang "Marita" by Morgen and "Wanting You" by Romberg, directed by Mary Esther Martinez and accompanied on the piano by Patsy Keller. The club received a book on music as a gift from a San Antonio music store.

Patricia Brieden, Velma Wurzbach and David Bippert of the St. Louis CYO; and Laurel Jean and Betty Corder of the Senior Sodality attended the CYO deanery meeting at Pearsall April 24. They were accompanied by Father Meurer.

Mike Tschirhart, Anthony Cadena, Manuel Moreno, Nelson Corder, Al Willis Bourquin and Franklin Stein attended the open house at Saint John's Seminary April 24. The program consisted of tours of the buildings, refreshments, a movie on seminary life, games and races and benediction of the Most Blessed Sacrament.

"Miss Molly's Girl," a comedy in three acts, was presented by the eighth grade of St. Louis School in the St. Louis Parish Hall Sunday night, May 8.

An anti-aircraft tow target has been developed for use by the Air Force that is trailed a mile behind the towing aircraft. The target is designated for use by supersonic airplanes and is made of plastic a substance that will not shatter when hit by shell fragments.

## St. Louis Students In May Procession

St. Louis School students participated in the May 1 procession.

Rosary was recited, and the Blessed Virgin crowned in church.

Rosalie Schuchart, CYO reporter, escorted by Harold Keller, CYO president, placed the sparkling, gold crown upon the bowed head of the Blessed Virgin in an impressive ceremony followed by the Litany of the Blessed Virgin and Benediction of the Most Blessed Sacrament.

Miss Schuchart wore a white, full-length formal, sprinkled with red roses. Upon her head was a golden crown, covered with shining sequins. Covering her formal was an elaborate white satin robe with a flowing train carried by Johnny Suehs, Larry Fowler and Mike Sharp.

The St. Louis junior-senior prom took place at Koenig Park Hall the night of May 4.

The hall was decorated, carrying out the theme, "Summer Rhapsody." On each side of the entrance was placed a basket overflowing with red and white gladioli. The hall was partitioned into two sections by a grass wall topped by a white rail fence banked with red roses. Shrubs and trees were placed behind the wall to offset the senior motto, "To the valiant heart, naught is impossible," written across the wall in bold, silver letters.

On the sides of the hall were placed 10 tables, in the center of which were floated single red roses in clear ash trays. Ivies and plants were placed at various angles around the hall, forming an authentic summer garden and patio.

The stage was set off by a white rail fence with trailing ivies and roses. On the piano, in the center front of the stage, and at each corner of the stage were bouquets of red roses.

Bitz Matheny and his orchestra supplied music for the long evening of dancing.

Refreshments were served buffet style from a serving table, covered with a white linen tablecloth and beautifully arranged by the juniors. In the center

was a large bouquet of red roses with a candle on either side. To the right were two dolls dressed in graduate gowns. The chocolate chiffon cake with white icing, surrounded by clusters of roses, was placed on the edge of the table and the punch bowl and cups were to the left of the centerpiece.

The evening ended with the song, "I'll See You In My Dreams."

## D'Hanis PTA Hears Grade Schoolers

D'HANIS—Pupils of the seventh and eighth grades were presented in a program of songs and letters under the direction of teacher, V. M. Schultz, at the regular meeting of the D'Hanis Parent-Teachers Assn. in April.

## Many Awards At Parent-Son Banquet 9th

Six special awards and eight honorary degrees were conferred upon Future Farmers and their supporters Thursday, May 5 at the 19th annual parent-son banquet.

Colby Joe Heyen won the farm mechanics award; Floyd DeGrodt the star chapter farmer award; Bill Moos the dairy farmer award; and DeGrodt, Rayford Pochoer and Wilbur Lindeburg the soil and water management award.

Honorary degrees, bestowed because of outstanding service rendered the FFA, were conferred upon W. C. Scott, Herbert Moehring, George Koch, Hugo Batot, Medina Feed and Supply Co., H. R. Burch, E. M. Nester and Edgar Stiegler.

Some one hundred fifty FFAs and their parents attended the banquet.

Richard Schulte, Heyen, Robert Thompson, Monte Williams, Clyde Bohmfalk, John McAnelly and some 20 incoming and outgoing officers participated in the program.

The menu featured barbecued chickens the boys had raised themselves.

## Owl Band Majorettes Named 14th

The drum major and majorettes for 1955-56 will be announced at the Owl band banquet at 7:30 p. m. Saturday, May 14 in the high school cafeteria.

The itinerary includes invocation, Aubrey Lindemann; welcome, Mary Jo Meyer; summary of band activities, Monette Schweers; outstanding band personalities, Miss Meyer; presentation of gifts, Joe Conley, Gayle Knight, Connie Schweers and Pat Tate; and presentation of drum major and majorettes, Barbara Braden.

Miss Lindemann, Nell Nixon and Miss Knight will play musical selections.

A hundred and fifty band members and their guests are expected. A dance, with music supplied by a juke box, will follow the banquet.

"Melody of Love" will be the theme of the banquet. The colors, pink, silver and black will be used. A musical staff with the first bars of the hit tune will be placed behind the head table, while styrofoam and pink pipe cleaners will spell out the name on the table.

Pink crepe paper will form a ceiling, while the center light will be transformed to a huge silver chandelier. Pink angel hair will envelop the other lights.

A life-size black silhouette of a couple dancing on pink angel hair clouds will be featured on one wall. Miniature silhouette couples will be used as individual table decorations.

Mothers of the band members are in charge of food. The menu includes pineapple juice, olives, stuffed celery, roast beef with gravy, creamed potatoes, peas, angel salad, rolls and tea.

## D'Hanis To Put On Two Night Follies

D'HANIS — The Funnybone Follies, a hilarious show for the benefit of the volunteer Fire Dept. comes off at 8:15 p. m. both Friday, May 13 and Saturday, May 14 at the high school auditorium.

The show will be put on to help the firemen make money for needed additional fire fighting equipment. Many prominent citizens will take part.

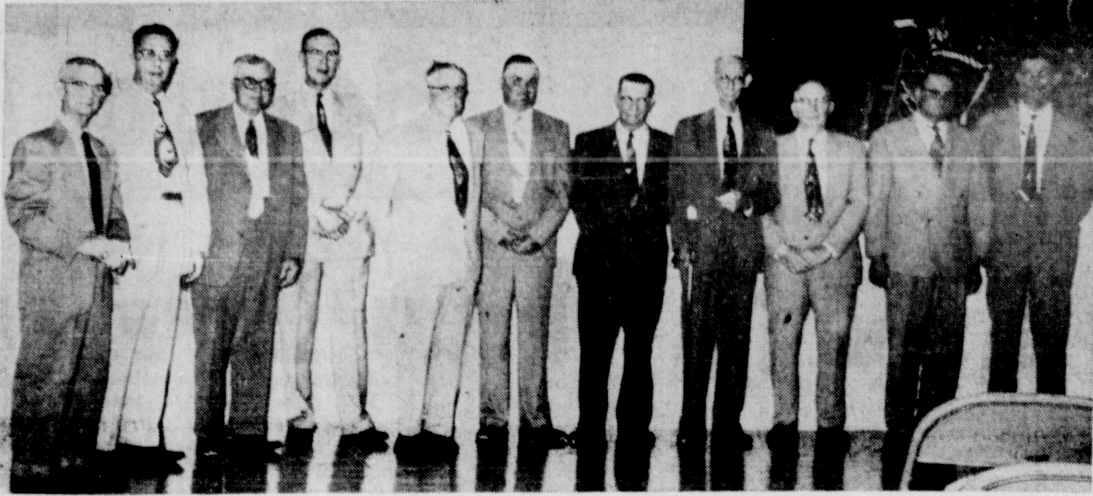

Wayne Cheney will portray Groucho Marx, master of ceremonies. Janice Diehl takes the part of Doris Day, lovely lady of song. Hilmer Koch and Mrs. Bernice Finger will have you thinking Ma and Pa Kettle are really in D'Hanis, while Mike Finger and Joe Langfeld are a riot as Dean Martin and Jerry Lewis.

The first, second and third grades in the parochial school will present the opening of the show and the "Toyland" scene in honor of D'Hanis' king and queen of Toyland, who are now being elected by popular vote.

The production also features the "Womanless Wedding." Miss Dainty Anne Gruesome, the bride, is played by Herman Fohn, and the reluctant bridegroom, Will B. Tremblin, is played by Gene Koch.

Others in the wedding are Joe Zinsmeyer, Amos Finger, John Ney, Martin Ney, Dave Zinsmeyer, Sammy Zerr, Charlie Langfeld, John J. Nester, Clayton Nester and Tom Finger.

One of the popular scenes is the western number, featuring Roy Rogers and Dale Evans and the Girls of the Golden West.

FORMER AND PRESENT school board members were honored Friday night at the Hondo High Band concert. Present to receive identification cards and passes to all school events were, left to right, Richard Reily, Rudy Rath, W. G.

Muennink, Bob Kollman, Vernor King, A. C. Gilliam, Herbert Decker, Fletcher Davis, Emil Britsch, Henry Lindeburg and Bruno Schweers. Davis served back in 1914.

## The Hermann Sisters Mull Over Business

D'HANIS — The Hermann Sisters met with Mrs. O. W. Tondre Tuesday, May 4.

A feature of the business session was the report of Mrs. Ed S. Koch on the state meeting she attended in Galveston. After several games of rook, prizes were given to Mrs. Ed Nester for high, Mrs. W. L. Kellogg for second, Mrs. Emil Brod for consolation, Mrs. R. J. Noonan for traveling, and Mrs. Albert Nester for low. Tuna sandwiches, fruit jello, saltines, cookies, coffee, and iced tea were served.

The next meeting will be held at the home of Mrs. R. J. Noonan on Hondo June 1.

## Daughters Show Parents Teen Age Clothing Styles

A style show featuring a teen ager's wardrobe was the main event of the parent daughter show.

The banquet was staged by the Hondo Future Homemakers Monday, May 9 in the high school auditorium, the second annual event.

An estimated 165 FHA students and guests attended.

Fifty-three girls modeled garments for school, informal dates, sportswear, church and a bride's trousseau. Babs Batot served as commentator.

Miss Willie Mae Wolfe, home-making teacher from Elgin, and Miss Pat Condron, Area VII public relations officer, were special guests of the chapter. Miss Wolfe, a graduate of the University of

Texas, played several selections on the harp.

She also presented some colored slides of the regional convention in Daytona Beach, Fla. Miss Batot narrated the slides.

The group, presided over by Monette Schweers, voted to continue meetings in the summer.

A candlelight installation service established new officers in their roles for the coming year. Refreshments prepared by the freshmen homemaking students were served.

Higher profits await farmers who send their crops deep for water with a soil program of fertilization and crop rotation.

## Castroville Baccalaureate Set For May 1

By Ruth Curry Lawler

CASTROVILLE—Baccalaureate Services will be held Saturday night, May 15 in the high school auditorium at 8 p. m. The Rev. Leo Benorden, pastor of Zion Lutheran Church, will give the invocation.

Commencement exercises will be held at 8 p. m. Thursday in the auditorium. Judge Ray Gerhardt of San Antonio will be the speaker.

School will close Friday, 20 with an assembly.

**Eighth Grade News**  
On Wednesday, May 4 immediately after school, the eighth grade left for SA with Mrs. Mina Sittre, their sponsor. Mrs. Gus Benke, room mother. Each was given a sandwich eat on the way. Arriving in Antonio we went to a rooming house for a skating party. The party the chaperones, Miss Sittre, Benke and Mrs. treated the class to hot dogs, water and ice cream.

Members of the eighth grade who attended the party were Benke, Ray Griggs, Paul H. Beck, Jack Herring, Tommy Fletcher, Becky Sue Thornton, Lynn Saathoff, Melba Sue Booth, Jandra Garza, Jonell Riff Gregory Nuckles.

Margaret Ann Herring was drum major and Bonnie Haby and Jackie Fitzmaurice were the next in line. They were selected tryout held at Hondo last week. The Hondo band director, Lewis, was the judge.

The student body selected Murrell as head cheer leader. Lucille Rihn, Carmen Bayer, Gaye Griggs as assistant cheer leaders at the assembly held Tuesday.

## 15 Cadets In Prize Drill Sunday, 15th

By Ruth Curry Lawler

CASTROVILLE — Having won the preliminary tests for best-drilled cadets, school boys will be judged by U. S. Air Force officers at the annual prize drill at 4:30 p. m. Sunday, May 15 at Moe Military School.

On parade will be the following:

Band: Cadets John Riquelmy, Houston; Marcus Tomek, Pasadena, Texas; and Edward McMahon, Houston.

Co. "A": Cadets Robert McNeese, San Antonio; Joe Guerra, Brownsville; and Robert Reinke, Houston.

Co. "B": Cadets C. Losoya, Acuna, Mexico; George Mangelsdorf, Dallas; and David Hunt, San Antonio.

Co. "C": Cadets Armando Pena, Acuna, Mexico; William Landers, Hondo; and Carol Randal, El Paso.

From the above 12 cadets, three will be selected for a double promotion, and from the three one will be selected as the best-drilled cadet and awarded the Arthur Ward Trophy. The best-drilled squad in each unit will also be selected and awarded medals.

Judges will be Maj. Samuel R. Thompson, U. S. Air Force, Kelly Field; Capt. Richard J. Schott, U. S. Air Force, and Capt. Joe Ruckman, U. S. Air Force, both from Lackland Air Field.

The drills will be concluded by a retreat parade. The "Troop the Line" ceremony will be led by Maj. and Mrs. Samuel R. Thompson, followed by Capt. and Mrs. Richard J. Schott and Capt. and Mrs. Joe Ruckman. Maj. Thompson will be the reviewing officer. The women will then return the flags. The general public is invited.

Honorary degrees, bestowed because of outstanding service rendered the FFA, were conferred upon W. C. Scott, Herbert Moehring, George Koch, Hugo Batot, Medina Feed and Supply Co., H. R. Burch, E. M. Nester and Edgar Stiegler.

Some one hundred fifty FFAs and their parents attended the banquet.

Richard Schulte, Heyen, Robert Thompson, Monte Williams, Clyde Bohmfalk, John McAnelly and some 20 incoming and outgoing officers participated in the program.

The menu featured barbecued chickens the boys had raised themselves.

## Owl Band Majorettes Named 14th

The drum major and majorettes for 1955-56 will be announced at the Owl band banquet at 7:30 p. m. Saturday, May 14 in the high school cafeteria.

The itinerary includes invocation, Aubrey Lindemann; welcome, Mary Jo Meyer; summary of band activities, Monette Schweers; outstanding band personalities, Miss Meyer; presentation of gifts, Joe Conley, Gayle Knight, Connie Schweers and Pat Tate; and presentation of drum major and majorettes, Barbara Braden.

Miss Lindemann, Nell Nixon and Miss Knight will play musical selections.

A hundred and fifty band members and their guests are expected. A dance, with music supplied by a juke box, will follow the banquet.

"Melody of Love" will be the theme of the banquet. The colors, pink, silver and black will be used. A musical staff with the first bars of the hit tune will be placed behind the head table, while styrofoam and pink pipe cleaners will spell out the name on the table.

Pink crepe paper will form a ceiling, while the center light will be transformed to a huge silver chandelier. Pink angel hair will envelop the other lights.

A life-size black silhouette of a couple dancing on pink angel hair clouds will be featured on one wall. Miniature silhouette couples will be used as individual table decorations.

Mothers of the band members are in charge of food. The menu includes pineapple juice, olives, stuffed celery, roast beef with gravy, creamed potatoes, peas, angel salad, rolls and tea.

## D'Hanis To Put On Two Night Follies

D'HANIS — The Funnybone Follies, a hilarious show for the benefit of the volunteer Fire Dept., comes off at 8:15 p. m. both Friday, May 13 and Saturday, May 14 at the high school auditorium.

The show will be put on to help the firemen make money for needed additional fire fighting equipment. Many prominent citizens will take part.

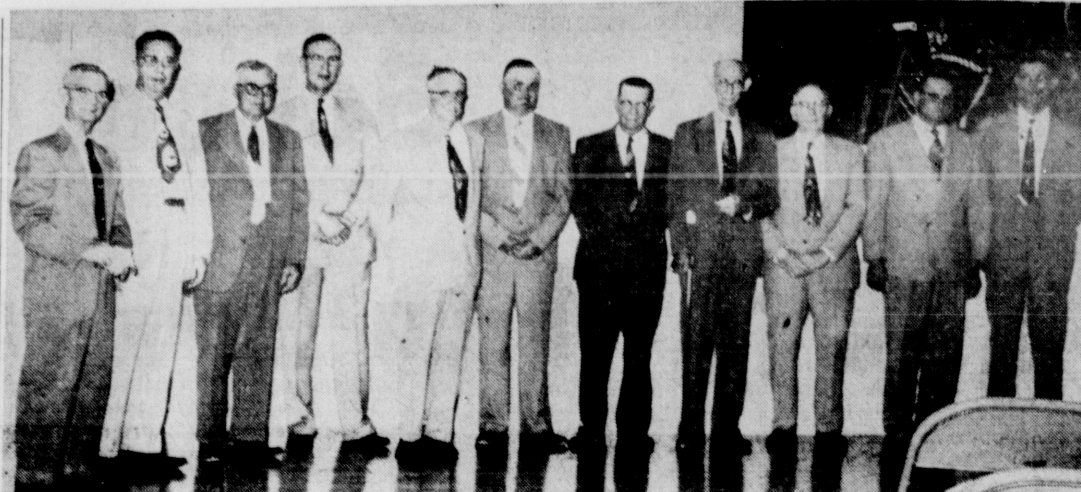

Wayne Cheney will portray Groucho Marx, master of ceremonies. Janice Diehl takes the part of Doris Day, lovely lady of song. Hilmer Koch and Mrs. Bernice Finger will have you thinking Ma and Pa Kettle are really in D'Hanis, while Mike Finger and Joe Langfeld are a riot as Dean Martin and Jerry Lewis.

The first, second and third grades in the parochial school will present the opening of the show and the "Toyland" scene in honor of D'Hanis' king and queen of Toyland, who are now being elected by popular vote.

The production also features the "Womanless Wedding." Miss Dainty Anne Gruesome, the bride, is played by Herman Fohn, and the reluctant bridegroom, Will B. Tremblin, is played by Gene Koch.

Others in the wedding are Joe Zinsmeyer, Amos Finger, John Ney, Martin Ney, Dave Zinsmeyer, Sammy Zerr, Charlie Langfeld, John J. Nester, Clayton Nester and Tom Finger.

One of the popular scenes is the western number, featuring Roy Rogers and Dale Evans and the Girls of the Golden West.

FORMER AND PRESENT school board members were honored Friday night at the Hondo High Band concert. Present to receive identification cards and passes to all school events were, left to right, Richard Reily, Rudy Rath, W. G.

Muennink, Bob Kollman, Vernor King, A. C. Gilliam, Herbert Decker, Fletcher Davis, Emil Britsch, Henry Lindeburg and Bruno Schweers. Davis served back in 1914.

## The Hermann Sisters Mull Over Business

D'HANIS — The Hermann Sisters met with Mrs. O. W. Tondre Tuesday, May 4.

A feature of the business session was the report of Mrs. Ed S. Koch on the state meeting she attended in Galveston. After several games of rook, prizes were given to Mrs. Ed Nester for high, Mrs. W. W. Kellogg for second, Mrs. Emil Brod for consolation, Mrs. R. J. Noonan for traveling, and Mrs. Albert Nester for low. Tuna sandwiches, fruit jello, saltines, cookies, coffee, and iced tea were served.

The next meeting will be held at the home of Mrs. R. J. Noonan at Hondo June 1.

## Daughters Show Parents Teen Age Clothing Styles

A style show featuring a teen ager's wardrobe was the main event of the parent daughter show.

The banquet was staged by the Hondo Future Homemakers Monday, May 9 in the high school auditorium. The second annual event.

An estimated 165 FHA students and guests attended.

Fifty-three girls modeled garments for school, informal dates, sportswear, church and a bride's trousseau. Babs Batot served as commentator.

Miss Willie Mae Wolfe, home-making teacher from Elgin, and Miss Pat Condron, Area VII public relations officer, were special guests of the chapter. Miss Wolfe, a graduate of the University of

Texas, played several selections on the harp.

She also presented some color slides of the regional convention in Daytona Beach, Fla. Miss Batot narrated the slides.

The group, presided over by Monette Schweers, voted to continue meetings in the summer.

A candlelight installation service established new officers in their roles for the coming year. Refreshments prepared by the freshmen homemaking students were served.

Higher profits await farmers who send their crops deep for fertilization and crop rotation.

Mrs. Emil Knopp returned home to Fredericksburg Monday after a stay in the home of M&M W. J. Knopp and children. Mrs. N. J. Knopp and children all returned with her for a few weeks stay in Fredericksburg.

Alex E. Jungman attended the funeral of George E. Graff, Sr., in Hondo Wednesday.

Visiting in the home of the R. J. Mangolds on Mother's Day were M&M Ivan Mangold and children, M&M James Onion and twins, all of SA, M&M Wesley Hutzler and family, John Hutzler, M&M Aelred Tondre and children all of LaCoste, and Mrs. Katie Deckman of Castroville.

Weekend visitors in the A. H. Ahr and A. W. Ahr homes were M&M D. J. Herzing of Converse, M&M Fred H. Hawkes of Eagle Pass, M&M J. P. Hawkes and children of Uvalde, and M&M E. A. Armin of Flatonia.

M&M George Zinsmeyer were business visitors in SA Friday.

M&M R. J. Mangold and Mrs. Aelred Tondre and children were business visitors in SA Monday.

M&M Alex E. Jungman, Jr., and children, and M&M Charles Embry and children were out from SA to spend Mother's Day with M&M Alex Jungman here.

M&M Allie Tondre and children visited in the home of M&M Clem Tondre in Castroville Sunday. They also visited his mother, Mrs. Joe L. Tondre, who spent the day in Castroville.

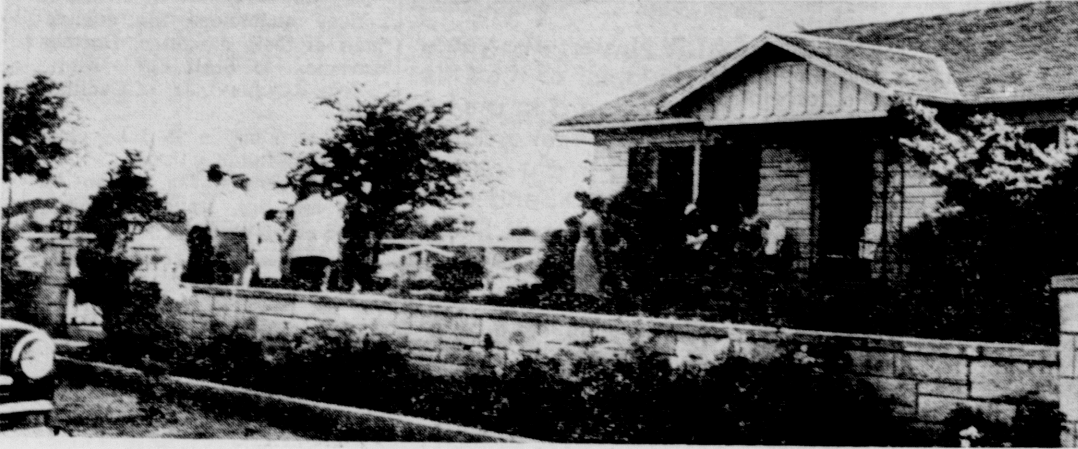

Mrs. George Zinsmeyer and Miss Ida Iban were callers in the homes of Mrs. Mamie Rihn and Grandma Adam in Castroville Saturday evening.

They left last Thursday night for Rising Star and Cisco where they spent the weekend on Mother's Day. Mrs. J. R. Hill and Mrs. C. R. Hill and children, all met them at Cisco Sunday for Mother's Day.

**FIRST YARD** on the Hondo Garden Club Yard Pilgrimage Sunday afternoon was that of Mr. and Mrs. Hugh Meyer.

Meyer, whose hobby is growing orchids, shows some beauties to Paula Wilson, daughter of the Homer Wilsons.

**FIFTH** garden on the tour was Claud Gilliams. A dozen "tourists for a day" are shown wandering over the place. Included in its plantings are several

oak trees set out by the couple. A cross between live oak and pin oak, these hybrid trees have grown rapidly.

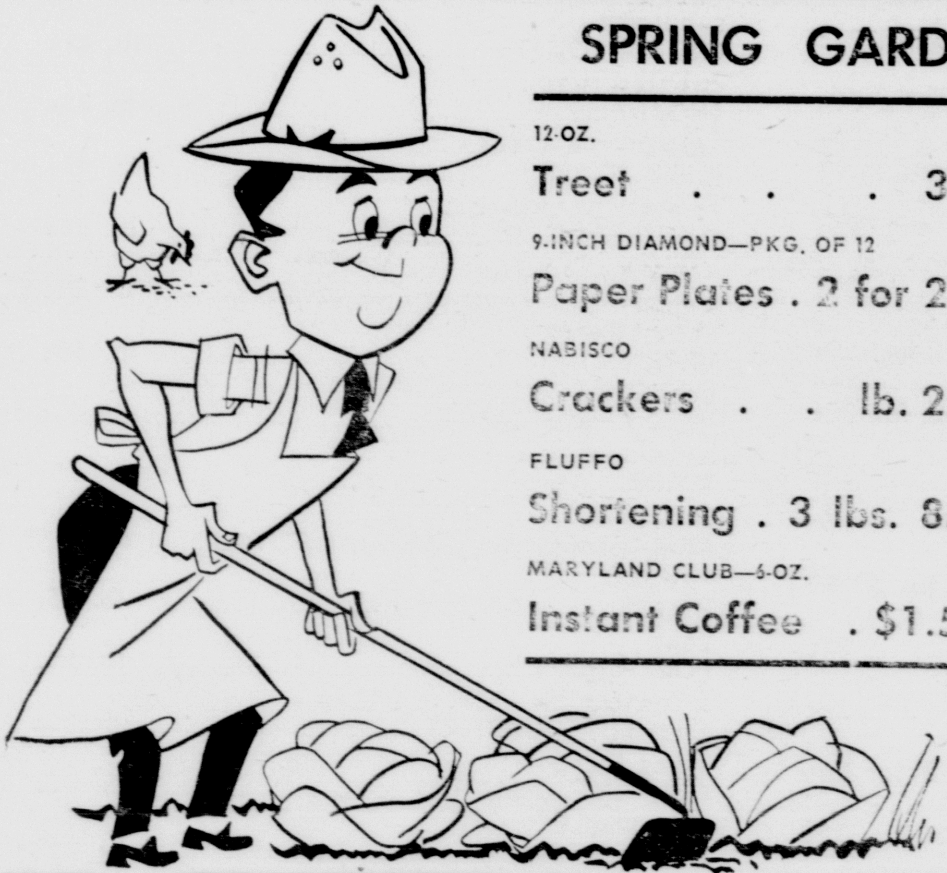

**ASSISTING** as hostesses at the J. S. MacManus home were Mrs. E. L. Kelley and

Mrs. V. H. Crow, shown here enjoying the spacious grounds.

**MRS. PAUL BYBEE** points out a pyracantha bush to Mrs. S. W. T. Lanham in the Bybee yard. This bush and three others of the same size were started

from seed by the Bybees. A nurseryman had warned that the bushes would probably have no berries, but the year old bushes have already bloomed.

### FREEZING TIPS

Q. Can pancakes, like waffles be frozen for future use?

A. To prepare a supply of frozen pancakes just mix up your favorite pancake recipe and flip them on the griddle as usual. When the cakes have cooled, place them on a baking sheet and freeze, then pack them in family size batches in freezer foil or containers. When you are ready to use them, separate the cakes and place on a baking sheet and pop them into a 400 degree oven, or heat them in your pop-up toaster. They'll be ready for syrup in 10 to 15 minutes and you'll have no more left-over batter to throw down the drain.

Q. What is the most economical way to use a freezer or locker?

A. Keep it full; empty space in the freezer is no economy. The freezer will use just as much electricity on the vacant spaces as on frozen food that could be occupying them. Freezer owners should understand that the more food that "goes through" the freezer, the less the operating cost per pound. It's using, not saving, food in the freezer that pays. Families who arrange to "live out" of their freezers as much as possible and thus have a rapid turnover of frozen food make the most economical use of this appliance.

## Inch Of Rain, Hail Pelt Settlement Last Weekend

By Mrs. J. D. Schweers

SETTLEMENT — Friday evening, plenty of lightning and thunder left us only .10 of an inch of rain. It was followed Saturday afternoon by wind, hail and .85 inch of rain. Some crops were badly beaten by the hail. The worst beaten is Theo Reitzer's corn off the Quibi-Castroville farm to market road.

The earlier frost did damage, no rain and now hail, what's next?

Henry Gross from the Gross ranch is at LaCoste for bank directors meeting.

M&M George Mechler of Hondo are rejoicing over the arrival of a 9 lb. baby boy at Medina Hospital May 9. The baby's grandparents are M&M Ervin Bohmfalk, New Fountain and M&M Albert Mechler of Sauz. Great-grandparents are M&M Theo Wiemers of New Fountain. The mother and son are fine.

M&M Joe H. Steinele were at Fredericksburg Sunday, May 1 district meeting. Mrs. Steinele reports the people there are so very, very friendly. Makes you feel so much at home.

Calling Sunday Mother's Day on M&M Louis Mehr and visiting were M&M Webster Haby and son Brian of SA, M&M Eugene Jungman and son Vincent of Sauz and M&M Sterly Jagge and Carolyn.

M&M Allen Haby spent Mother's Day with his mother, Mrs. Edmund Haby at Castroville.

M&M Rud Posch of Biry visited Sunday with M&M Rudy H. Bayer, Carmel, Ralph and Dot.

Mrs. Lina Fuos of Quibi spent Saturday and Sunday with M&M J. D. Schweers

M&M Lester Landrum, Debby and Pat of Houston, Mrs. Paul Reger, Mark and Janet of Lyssy, Texas spent the weekend with their parents, M&M Hugo Balzen of Hondo, M&M L. P. Landrum of SA, and M&M Walter Brucks.

Walter J. Fuos of SA called on Mrs. Linda Fuos Saturday afternoon.

M&M Robert Bates of SA visited Wednesday afternoon with Mrs. Elizabeth Droicourt and Angeline Burger above Castroville.

Mrs. Philip Haby, Mrs. Ferd Carle of Mico were Hondo visitors last Friday and stopped by Ad Biediger and family on their way home.

M&M Edgar Balzen, M&M Walter Brucks of Quibi visited Wednesday evening, May 4 with M&M J. D. Schweers.

E. A. Bendele of Hondo called on the J. D. Horecka family Monday.

Correction, please. Raymond Biediger was pallbearer for Paul Schott, not Raymond Moehring. Sorry it happened.

Mrs. Fred Boubel and Mrs. Mattie Geant of Castroville called on Mrs. Elizabeth Droicourt and Angeline Burger April 29.

Mrs. Edson Oefinger, Diane and Stevie, M&M Alex Tschirhart spent May 4 in SA with M&M Hilmer Bendele, Larry and Debby. They helped Larry celebrate his birthday. Mrs. Lina Fuos accompanied Mrs. Oefinger.

Sunday were M&M Melvin F. Blume and children of Lytle, Mrs. Bernard Rihn and daughters Mary Catherine and Barbara, and sons Dennis and Anthony of here and M&M S. A. Wanack and daughters of SA.

Mrs. Henry Zinsmeyer, Mrs. James Biediger and Mrs. Howard Mangold spent a pleasant afternoon sewing at the home of Mrs. Oscar Hutzler one day the past week.

M&M W. G. Koehler and Mrs. Rose Greeven of SA spent Mother's Day with Mrs. Mary Kauffman.

Mrs. Henry Salzmann and grandson Gary Griffin were business visitors in Hondo last Saturday.

M&M Johnny Strict and children visited in the George Kunze home Sunday evening.

Mrs. Glenn Keller and son Glenn, Jr. of SA visited relatives here Sunday afternoon.

Mrs. Clarence Stein, Mrs. Jack Carroll, Mrs. Bess Ihnken, Mrs. Anna Peichert, Mrs. Pauline Music, Mrs. Francis Echtle, Mrs. Frank Bohl, Mrs. Hugo Adam, Mrs. Mary Kauffman and Mrs. John Heisser attended the county women's annual Home Demonstration picnic at Whitehead's pecan grove at Castroville last Wednesday, May 4. Fried chicken and all the trimmings were served at noon.

M&M George Zinsmeyer were SA business visitors last Friday. Ted Bredenberg and children and R. E. Hildebrand from Rio Vista Farms were visitors in town Saturday morning.

ger to Three Points where she spent the day with sister Emma.

M&M Ferd Carle of Mico visited Saturday evening with Mrs. Rosa Carle and Henry.

On her 10th birthday Monday, May 2 Rita Bailey of Quibi was honored with a barbecue supper by M&M Roy Boehle. M&M Claybourne Tschirhart, and Sidney of SA visited Tuesday evening, May 3 with M&M Louis Mehr.

Saturday afternoon M&M Philip Haby of Mico and M&M Ernest Jenkins of Medina Lake started for the rodeo at Bandera. They were caught in the rain and hail-storm.

Mrs. Haby reports, "It wasn't funny," it just poured down and hailed plenty. The landscape looked like pictures of snow covered hills.

The downpour brought the creeks up, cars were stalled everywhere. Mrs. Haby admits, "I was so scared," and really glad when we decided to return home, and found only a little sprinkler fell. The roads were covered with tree leaves. Around the DeGrodt ranches it poured two inches in a very short time.

Mrs. J. M. Horecka, Forrest, Donnie, Dorothy and Barbara left Friday evening for Hallettsville for the weekend with relatives, returning Sunday evening. Mrs. Horecka reports crops look much better there. Donnie, Dorothy and Barbara were in time to attend a birthday party of a little cousin, Dorothy Love, who was five years old. Barbara was so lucky to get first prize for pinning the tail on the donkey. Hats off to you, Barbara.

Cpl. James E. Horecka returned home with them, after spending the week with kinfolks at Hallettsville.

### Lewis Called Hottest Man In Hwy. 90

He's not only a hot pilot; he's the hottest baseball player the Braves could muster Sunday.

Then, too, there's a nose for barbecue among the local eleven.

Now, Catcher Glenn Lewis, a pilot trainee at Hondo Air Base, is new to the smells of Medina County, but he's probably heard of the many barbecues folks hold there.

Sunday he marveled at how a whiff of barbecue could be wafted to him in the Castroville ball park.

Still, he was very much in the game when his first turn as cleanup man came in the opening inning. He slammed a homer

then donned harness and squatted behind the plate for the Castroville half of the first frame.

This time he mentioned the barbecue smell to the umpire, who also wrinkled his nose, sniffed and said, "Say, that is strong."

Pitcher Hilmer Mueller threw only six pitches to retire the side. By then Lewis was roasting. It wasn't the weather.

The 20ish young man from California looked down as the last man went out, saw smoke and tore off his mask and streaked for the water bucket.

In his clothing Lewis found a hole burned in his chest protector and another in his pants some four inches across. The fire had even begun to burn his shirt, the next thing to his skin when he hollered for help.

He yelled, "Get the water; I'm on fire!"

Several dousings of water put out the fire.

Of course, teammates had explanations for Catcher Lewis' behavior. Here are samples:

"The hottest catcher in the league."

"He's burning up the league."

And from Pitcher Mueller, "It was the spark of my fast ball hat set him afire."

The trouble was diagnosed as probably a flipped cigaret from the stand.

### Comets Shell St. Gerard's 11-2 In AL

CASTROVILLE—The St. Louis Comets maintained a one-game lead over the Fredericksburg Indians in the Academic League by trouncing St. Gerard's Royal Blues, 11-2, May 3.

The victory was the Comets 13th of the season against four setbacks.

Harold Keller chalked up his seventh triumph by fanning 11 Royal Blues. He gave up three singles in the first three innings.

Afterward he was untouchable. Don Anders was shelled out for St. Gerard's after giving all the Comet hits and runs. Reliever Schneider, who pitched the last 2½ innings, pitched beautiful ball, striking out the Comet side in the sixth.

Eddie Garza, who singled twice in two appearances and scored both Royal Blue runs, and Schneider, who drove in both tallies with a single and sacrifice fly, were leaders in the visitors' stickwork.

Comet Dennis Wengenroth bashed three singles in four trips. Harold Keller and Royce Groff had two for three, one of them a towering homer by Keller over the left-centerfield wall. Justin Jungman upped his batting average with a brace of singles.

### Hondo Helps Telethon With \$45 Sunday

Hondo gave, too—\$45.

Although Jack Bailey, master of ceremonies for the cerebral palsy telethon last weekend in San Antonio, spoke frequently of Cotulla, nine Hondo persons chipped in \$5 apiece near the end of the 17-hour telethon.

Included according to Mrs. Jim Storms of Hondo were Fly Drug, Jack Ulbrich, Ulbrich Dept., Lutz Service Station, Tommy's Gulf Station, Carter's Drive-In, Santos Electric Co., Moonlight Cafe and Oasis Cafe.

## Braves Trying For 8th Straight

### Devine Loses To South San, 11-6 May 5

Larry Trafton's homer with one on spelled defeat for the Devine Warhorses and gave Trafton's team, the South San Antonio Bobcats, a 11-6 triumph in 27-A play at Devine May 5.

Devine, however, knocked Earl Rudes, South San Ace, out of the box in the first frame. But Johnny Guerra, who relieved Rudes, also ran into Bobcat bats and Rudes came back in to absorb the remainder of a 10-hit attack. Bush of Devine also pitched twice in the contest.

Tony Zamora of the Bobcats was the top hitter with a triple and pair of doubles.

Line score:  
S. San 200 162 0—11 10 2  
Devine 402 000 0—6 5 2  
Batteries: Rudes, Guerra (1), Rudes (4) and Burrows; Bush, Gallegos (6), Bush (7) and Davis.

### Band Stashes Away \$154 From Concert

Owl band profits rang up \$154 after the annual spring concert, Friday, May 6 in the high school auditorium.

Besides the musical program, certificates of merit were awarded 23 past and present school board trustees.

Those awarded certificates were Felix Batot, Emil Britsch, Sid G. Carter, J. Roland Chancey, Russell Chapman, Fletcher Davis, Herbert Decker, D. Harper Fly, Ashbel Gilliam, H. E. Haass, Vernon King, Robert Kollman, Olin Lacy, Henry Lindeburg, Dr. Walter B. Meyer, C. J. Monkhouse, W. G. Muennink, R. C. Rath, Richard Reily, C. D. Sadler, Bruno Schweers, W. H. Smith and Newell Woolls.

### Preparation Day Is Postponed

Field Preparation Day, the beginning of the Hondo Junior League's baseball field, was called off Tuesday, Wednesday and Thursday of this week for a novel reason.

The rain filled up the post holes.

Dr. J. H. Jennings announced the clearing session would be postponed until Tuesday through Thursday, May 17-19. He added the league needs volunteers with shovels, hammers and determination.

### Comettes Take St. James, 18-1 For 3rd Straight

CASTROVILLE—The St. Louis Comettes journeyed to San Antonio May 5 to defeat the St. James Parish team, 18-1.

It was Nancy Haby's third win in as many starts. Her teammates, meanwhile, took batting practice on a pair of St. James pitchers, rapping out 16 hits that included home runs by Rosalie Stein and Patsy Brieden.

Arlene Bippert and Paula Hoog had a good day at the plate, both getting three for five.

### HERE IN HONDO

M&M W. G. Riley and son Grant are here from California visiting Mrs. Riley's parents, M&M W. L. Taylor, before going to Del Rio where they will be making their home.

Lt. Earl E. Cureton is home visiting his wife, the former Jean Taylor. He is on a 30-day furlough from his base in Newfoundland.

Quihi	1	6	.143

### Last Week's Scores

D'Hanis 5—Quihi 2  
Hondo 15—Castroville 4  
LaCoste 5—Rio Medina 4

Hondo's Braves, riding high at the crest of Highway 90 League standings, go for their eighth straight victory Saturday night here against the tricky Rio Medina nine.

In other games Sunday afternoon Castroville plays at D'Hanis and LaCoste goes to Quihi.

Hondo has been on a batting rampage, averaging some 18 runs per game through the seven games played. However, they may see Tommy Jungman hurling in the uniform of the Rio Tigers Saturday. Jungman is the University of Texas hurler who recently pitched a no-hitter. He will be available if he doesn't have to throw against Baylor Friday night.

The Hondo Braves extended their unmarred record last Sunday as they scalped Castroville, 15-4. A wind blowing out over the left field fence was a boon to hitters, as five home run balls flew over.

Racking up these hits were Hondo's Bob Zerr, Glen Lewis and Charles Kuempel, and Castro's Lynn Tschirhart and Oscar Suehs. Zerr and Lewis also hit two-baggers for the victorious Braves.

Paulie Mueller went the distance on the mound for Hondo, as he took credit for the win. Earl Tschirhart began duties for Castroville but gave way to Don Biediger who took over in the third. Tschirhart was charged with the loss. Biediger helped to further his own cause by hitting twice in three times up, G. H. Finger hit a perfect two for two for Hondo.

The D'Hanis Pirates were up to their old trick again: leaving men on base. The Pirates stranded 14 as they handed Quihi a five-two defeat.

Harlan Wolff gave his first mound performance of the year for D'Hanis. Wolff is a high school senior, and the mainstay of the D'Hanis Cowboys' pitching staff.

Wolff went all nine for D'Hanis, giving up only two free passes, and getting 11 opponents on strikes.

Bruce Hyde started the game against the Pirates, and was charged with the loss. Merle Wiermer took up Quihi's mound duties in the fifth, when Hyde got into trouble.

### Junior Loop Tryouts On Saturday 14th

Tryouts for positions on the Hondo Junior League teams are slated for 9 a. m. Saturday, May 14 on the elementary school grounds.

Bats and balls will be on hand, but potential Willie Mays' must furnish their own gloves.

J. G. Barry, Bob Nations, C. D. Sadler, and C. B. Gaston will rate the boys and place them on teams after May 21. Another spring training session is on the calendar for May 21.

Although the teams will be made up of boys in the same size group, the leaguers may advance or demote themselves according to their own initiative and drive.

More managers and coaches will be assigned to baseball teams at a meeting of the Hondo Junior League board of directors in the high school agriculture building at 7 p. m. Wednesday, May 18.

The constitution, drawn up by Harry Filleman, Dr. J. H. Jennings and C. B. Gaston, will also be voted on.

CECIL Willis, LaCoste coach and principal, will soon leave for Huntsville and a new coaching job.

### COMETTES OUTSCORE GCC, 13-9

CASTROVILLE—The St. Louis Comettes gained the second victory of their young softball career by outlasting the Guadalupe Community Center girls here April 28, 13-9.

The Castroville girls jumped off to an early lead, scoring twice in the first frame and breaking loose for six more in the second. The Guadalupe girls managed to pull even in the fifth inning, 9-9. Then Leftfielder Rosalie Stein of the Comettes hit one past her city counterpart for a home run and teammates followed her example to push over four runs.

The fielding gem of the game was made by the Castroville shortstop, Janice Kempf, who made an impossible-looking overhand catch of a looping fly into short left.

Nancy Haby got credit for her second victory while relief pitcher Mary Lou Zepeda was the victim for the losers.

### HONDO CA STILL WIN 27-A TITLE

Hondo won't know its District 27-A baseball title until the regular season has been completed.

Until Devine upset the bucket, the Owls and Edgewood would have come down wire in a perfect piece of timing with the final game of the championship Friday here to the winner.

But Devine poleaxed 21-11, in a comedy of errors a makeup game here May 9. Following this tangle the Owls came back and darkness at San Antonio South San Antonio's 4-4, Tuesday, May 10 in nings and muddle the prod.

Because of the tie Hondo defeat Edgewood Friday in the running. In that either a full game will be played against South San extra inning.

Edgewood will come in Friday fray with an 8-1 Hondo has a 6-21 mark on the tie. Meanwhile, Edgewood cinched a tie for the crowning East Central, 9-8 day. Carl Wanke homered Vincent Salazar tripled his winning run in the seventh.

May 6 Hondo belted East Central, 6-0, off a three-hit job by Richard Schulte. bases-loaded homer off the of Bangin' Bill Neuman payoff runs in the fifth.

Jerry Muennink added insurance with a one-on-fourmaster sixth to account for the Hondo runs.

First Baseman Neuman Central doubled.

Against South San struck out 15 batters, doubled and singled in four and Second Sacker Ben South San hit two for four.

## Farming Industry Needs Press Agent

The term "publicity man" has a bad ring to the ears of the average farmer. Nevertheless, no other segment of our economy has had such adverse publicity in the past two years as our farm people.

Most farmers would be repelled by the idea that an "outsider" should champion his cause with the people of the nation. A farmer prides himself on being a rugged individualist — the man supporting the basic structure of our national economy. He prefers to make his own way, grow his crops, care for his land and make a little money, without outside interference.

But in these days of complex interdependence of one industry on another, rugged individualism is slowly becoming a thing of the past. The farmer needs someone to tell his story to the city people. He needs someone to explain that high prices today don't necessarily start on the farm. They are largely the result of increased cost in transportation, processing and marketing of farm goods.

Even some of our national farm leaders have contributed to the distorted idea that high farm prices are the main factor in the present high cost of living. What is the true story?

During the past four years, the price the farmer has received for his produce has decreased 24 per cent. Yet the cost of foodstuffs has not decreased in a like amount. A loaf of bread still costs the same although wheat prices have dropped drastically. This fact is true of most other commodities which originated on the land.

City people have been sold the idea that the farmer is responsible. They have been told that high support prices mean burdensome demands on their salaries for needed foodstuffs. Yet how much of this 24 per cent drop in farm prices was passed on to them in food dollar savings? About 1/2 of one per cent.

The difference came out of the farmer's pocket. He has had to cut back by one-fourth the amount of goods and services he needs to maintain his living standard. His buying power has suffered a similar blow.

This is the story that needs to be told. The farmer is not a gouger of the salaried dollar. He is the victim of bad publicity. The result has been the end of a guaranteed price program for his goods by the federal government which once served as a kind of "minimum wage law" for the farm population.

## YOUTH PROGRAM VEIL REMOVED

By Dorothy Vance

H. Y. A. Hondo Youth Assn. What is it? The following is going to be an attempt to answer this question.

Several months ago persons interested in the youth of our community and recognizing the need for supervised activity for this restless group organized and incorporated themselves into the Hondo Youth Assn. The overall membership in this community venture includes any and everyone interested in the welfare of our young people and community activities.

However, the board of directors of the association is made up of representative members of each church, civic, and service organization in Hondo. Those organizations desiring to be represented on the board named persons to the same. This in brief is the governing body of the Hondo Youth Assn.

What is the Teenage Club and how does it tie in with the Hondo Youth Assn.? First, this group of our youth is not the only group to receive the attention of our community activity. However, in order to start an undertaking as comprehensive as this may become, one group had to receive our primary attention. We chose the teenagers because theirs seemed our most immediate concern.

The high school students were contacted and asked to form a club, which they did. They drew up a constitution with bylaws and standing rules; they set out requirements for membership and rules of behavior; and they elected an outstanding group of officers.

This action on the part of the teenagers was sanctioned by the advisory board — the board of directors of the H. Y. A. There seemed a little ripple of antagonism because the adults had to censor their efforts. But to censor was not our purpose! To rent a hall or secure equipment it was necessary that an adult organization be responsible for the properties so used. The type of entertainment to be enjoyed by this teenage group depends upon their decisions with the advice of their counselor, who is a member of the board of directors of the H. Y. A.

Where do we have a place for the above-mentioned activities? A city building, partially used

by the Civil Air Patrol, has been (and is being) put in repair for our use. There is much work to be done on the building and on the individual rooms. This work we hope will develop into a community undertaking — painters, carpenters and interested craftsmen will be more than welcome to aid us in this work.

Will this building be used only for teenagers? No. There is a large room that can be used for dancing and parties. The teenagers have one room that will be exclusively their own. In this they will do crafts, have small dances and parties and conduct their various meetings. Another room, set aside for an adult meeting room, will be available for meetings of all allied groups represented in the H. Y. A. And space will be made available to pre-teenage groups should they organize and have a planned program. So come on, kids and parents, and let us hear from you!

There is a mistaken idea that the H. Y. A. and the Teenage Club are the same. This has been the result of emphasis placed upon the activities of this group. Do not forget that there are other groups in need of planned activity in the community, and we hope to incorporate them into the H. Y. A. program soon. People of Hondo, please be patient with us because we do want this to succeed. We are so very green in this work. However, we sincerely feel that we can succeed with your encouragement and cooperation.

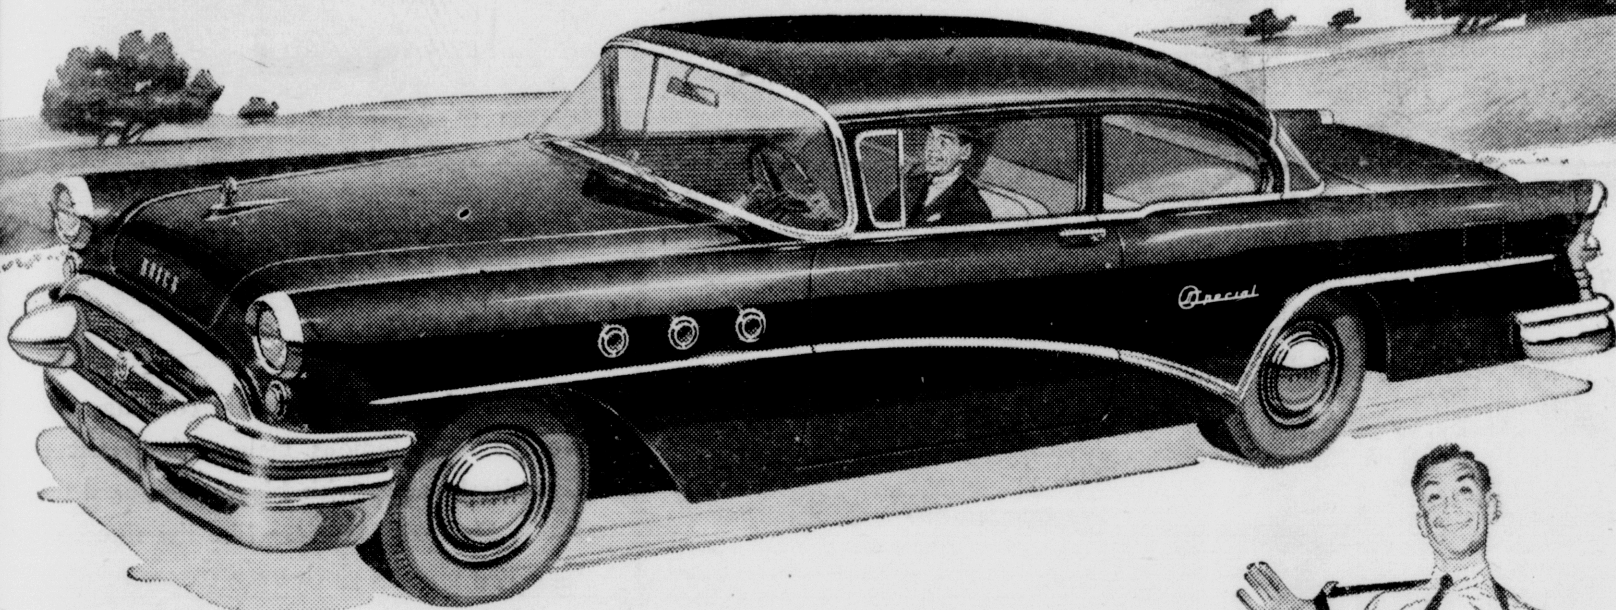

If you have any ideas, criticisms, etc., we would appreciate hearing from you.

## IT'S ALL BUICK

## -AND ALL YOURS

for the price of a smaller car!

YOU certainly can throw out your chest and call this Buick yours. Because—as comparison shows—the dollar difference between this brawny beauty and the well-known smaller cars is virtually erased.

So if you've been holding back, thinking a Buick was out of reach—let yourself go. You can afford a Buick if you can afford any new car—and the price tag we'll show you proves it.

### Buick Sales Soaring To New Highs

That's a major reason for the phenomenal success of Buick today. So much so, that production and sales are hitting new peaks to move Buick more firmly into the tight circle of America's best sellers.

And a companion reason for this soaring popularity is Buick's full line of cars to give you a choice in any price class—the bedrock-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, and the custom-built ROADMASTER.

But pure and simple, it's all the car you get for your money that's winning so many new owners to Buick.

It's the extra pride you feel, the extra room you enjoy, the extra comfort you get, the extra safety you sense—from Buick styling, Buick size, Buick ride-engineering, Buick solidity of structure.

It's the extra lift and snap and ginger you get from Buick high-compression V8 power—and the fun and thrill of bossing such eager might.

As we said—if you can afford any new car, you can afford a Buick—even with the spectacular performance of Variable Pitch Dynaflo<sup>†</sup> at modest extra cost.

So why settle for anything less than a Buick? Drop in on us, take the wheel, press that pedal, and see for yourself what a whale of an automobile—and a whale of a buy—today's Buick really is.

<sup>†</sup>Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series

(Come in and check it!)

### DID YOU KNOW—

- ★ — that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- ★ — that the Buick SPECIAL is priced below some models of the three well-known smaller cars?
- ★ — that the Buick SPECIAL includes as standard equipment at no extra cost a long list of items usually charged for as "extras" by other cars—items such as direction signals, automatic lighting of glove compartment, variable speed windshield wipers with vacuum booster, and so on?
- ★ — that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

## Lewis Makes Music Appreciated Here

By Fred McGahey

The quiet man has blown a note in Hondo.

Bob Lewis, the unassuming leader of the Hondo School band, has brought it to its high point. And that he has no more worlds to conquer, the next step is filling holes some doubtful graduates will make in the senior

So, there will be some popular summer concerts in the

28-year-old Lewis, dark-eyed and musical-minded, started his career at Abilene where he was born and where he went to high school. He then attended

Simmons U. a summer before starting North Texas State at Denton. Service interrupted the college band progress and took off to war two years. The

of his service was like a vacation for him. He toured Japan with a Special Service unit to entertain troops. He played the trumpet and thereby gained a bit of valuable experience.

Lewis was discharged from service in October, 1946 at Fort

on discharge he returned to Simmons University where he met and married his wife, (Lessie) Norvel, an outstanding violinist there, and finished his Bachelor of Music degree. Also, he was a part of the Hardin-Simmons Cowboy band for three years as a cornetist and band president.

In his senior year Bob played professionally with several Abilene orchestras while working on his master's degree. He graduated in '48 and worked on his master's degree in the school

though he felt this outside job broadened his musical horizons. Lewis doesn't advise a young musician to go into it too early, unless he or she has a great deal of maturity. He feels that proper foundation, outside playing can harm more than help.

Bob's first music teaching job was as band director at Sander High in 1949-50. The school won second in the University Interscholastic League, the best it had ever done in Class musical activity.

After getting his feet wet in music teaching a year, Lewis decided for home, working on his master's degree some more at Abilene in the summer months of 1950. Then he taught the next school year at Abilene in 1950-51 where he was band director of South Junior High School.

He also he did plenty of work at the elementary school. Bob played with the Abilene San Angelo symphony orchestras, the former under the direction of Jay Dietzer, and the latter directed by Dr. Erich Martin, now head of the Our Lady of the Lake string department in music.

The stage was set for Lewis' debut at Hondo. He came here in the 1951-52 school year to build up the band. He is now finishing his fourth

In that first campaign the school band won a second division, its lowest of the four years. In the young band were 67 students of varied gifts.

The second year Lewis kept the original group as a senior band, then added a beginner's group as another band.

The third year Lewis added a third band so that he called them his senior, intermediate and beginner bands.

In this, the year of fulfillment, a seasoned group is the nucleus of the senior band, but also leaves room for the stepping-up of future great players from the intermediate group. Thirteen seniors are graduating and must be replaced with like caliber, made or fashioned, if the band continues its onslaught against UIL high marks.

After a second place the opening year here, the band won a first in marching, first in concert, second in sight reading. The third year the band won second in marching, first in concert, and first in sight reading.

This year HHS blew its heart out and copped a special award known as the sweepstakes for first in marching, first in concert and first in sight reading, the grand slam of high school music. It had climbed the highest mountain.

The grading in the Region 6 UIL competition is by a standard. Any band that is graded in the 95 to 100 class earns the cognomen, best possible performance. In this classification Hondo this year made the first division against 16 Class A bands. Only two of that number won sweepstakes. The other was Giddings.

The second division grade is counted an "excellent performance" with a few minor defects in any part, or a grade of 90 to 95.

Third division means "good" with a few major defects, or a grade of 85 to 90.

Lewis feels to have a first class schoolboy and girl band, a director must receive a great deal of cooperation in the sense of being good sports and citizens. Especially, does he feel this in working with a group as large as the senior band, now swelled to 89 members.

Loyalty is another attribute Lewis feels strongly. He says: "They've been an awfully good bunch of kids — never yet have they failed to give it all they had when the chips were down."

Wading deeper into musicianship, Lewis finds a great school band must first show tone technique and second, precision. Tone technique means the ability to play parts together, getting full band tone as contrasted to harsh, choppy tone. Technique means facility in playing music pieces.

Because there is difficulty in fitting in three bands to his school day, Lewis worked out one problem at his own expense. He isn't required to be in class until 9 a. m. but to get the intermediates necessary practice, he comes to work Monday through Friday an hour early to show them the way.

The senior band then rehearses from 3 to 4 p. m. and the beginners from 4 to 5 p. m.

Another problem Lewis seems

ingly never had any trouble with was the usual hostility between band director and football coach. It is known that Lewis steered clear of this pitfall. In fact, he snorts a little at the idea. "It's childish," he declares in departing from his usually mild manner.

Bob's got a word for how the community has supported the band through the Boosters. "It's swell," he says happily, "considering the drought."

Lewis would like to expand past the end of the school year this month to get some outdoor band concerts as other grist in the mill to mold better band players.

Bob's home is shared by his wife and two boys, Chris, 4, and Gregory, who will be two Aug. 8.

Among the monies invested in the band program is included an original outlay of \$3,500 for instruments, \$4,800 for uniforms and sheet music amounting to between \$300 and \$500 per year. Another \$2,000 was used for more instruments after the original purchase.

Three additional uniforms purchased hiked the ante to \$200. Then, too, there are repair expenses and purchase of expendable material like drumheads and travel expenses for gas, and occasionally for a driver on the longer hauls when there are no volunteer drivers available.

All in all, it's been a great year for the music makers.

## Here In Hondo

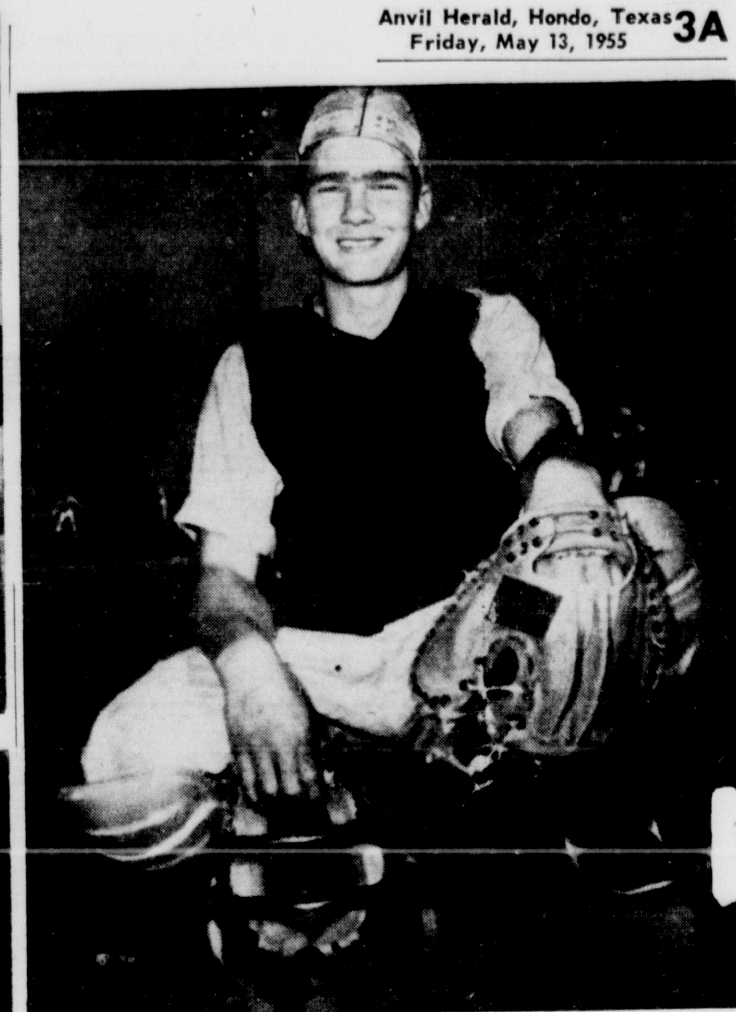

Here visiting their daughter, Mrs. W. T. Hardy and family, are M&M H. V. Kiley. They hope to make their home in SA in the near future.

Mrs. Alfred Schweers of McGregor spent the weekend in Hondo.

Mother's Day visitors in the E. W. Brucks' home were Tony Brucks of A&M College, Miss Gray Brucks of San Antonio and M&M Douglas Riff and sons Bob and John.

**SOUTHPAW** Richard Schulte has been a pitching mainstay for the Owls. He is the leading Owl hurler, including a brilliant pitching-batting stint in the recent Uvalde tournament.

**CAPABLE CATCHER** of the Hondo Owls is Jerry Muenink, a junior who will be pointing for a big finish to a good baseball season or the jumping off place for post-season games. The Owls' last scheduled 27-A game is against Champion Edgewood Friday night at Barry Field. —Anvil Herald Photos.

# He Farms Away, But Mind At Play

Editor's note: The Seco Philosopher on his Johnson grass farm is trying to justify his farming methods this week, but we doubt if he makes it.  
Dear editor:  
People are always asking me

how I get any farming done when I spend so much time sitting under a tree, but this only goes to show they don't understand the modern world we're living in.

And while I was sitting under a tree yesterday afternoon looking over a newspaper I was pleased to find out that no less a man than the Secretary of State, John Foster Dulles, follows the same principle I do.

That is, he doesn't let the immediate problem at hand get in the way of his deeper thinking, which is the same principle I've been using for years out here on my farm.

The other day, according to this newspaper article, Sec. Dul-

les was talking with a man about having to fire him, and after the talk the man said "he was sympathetic but his mind appeared to be elsewhere, on the big international things, like Quemoy and Matsu."

That's exactly the way I am about my farmin operations, and I'm glad to have the Secretary of State following my principles. I'm sympathetic all right with the fact my crops need working, but my mind is elsewhere. Just because a man's garden needs hoeing doesn't mean the international situation should be dropped.

And I'd like to point out that the world situation needs as much thinking about as my farm, and if somebody doesn't forego the

job of plowing or handshaking and give some thought to it, plowing and handshaking may lose their value.

Me and Sec. Dulles have this thing figured out exactly alike, and I hope my neighbors who have been making remarks about the amount of sitting I do will get up on the international level in their thinking and recognize it. It's not that I'm gonna change my habits, and anybody who would chop weeds just to be well thought of is putting a mighty high price on public favor, but if you can attain the latter and still sit under a tree, why not?

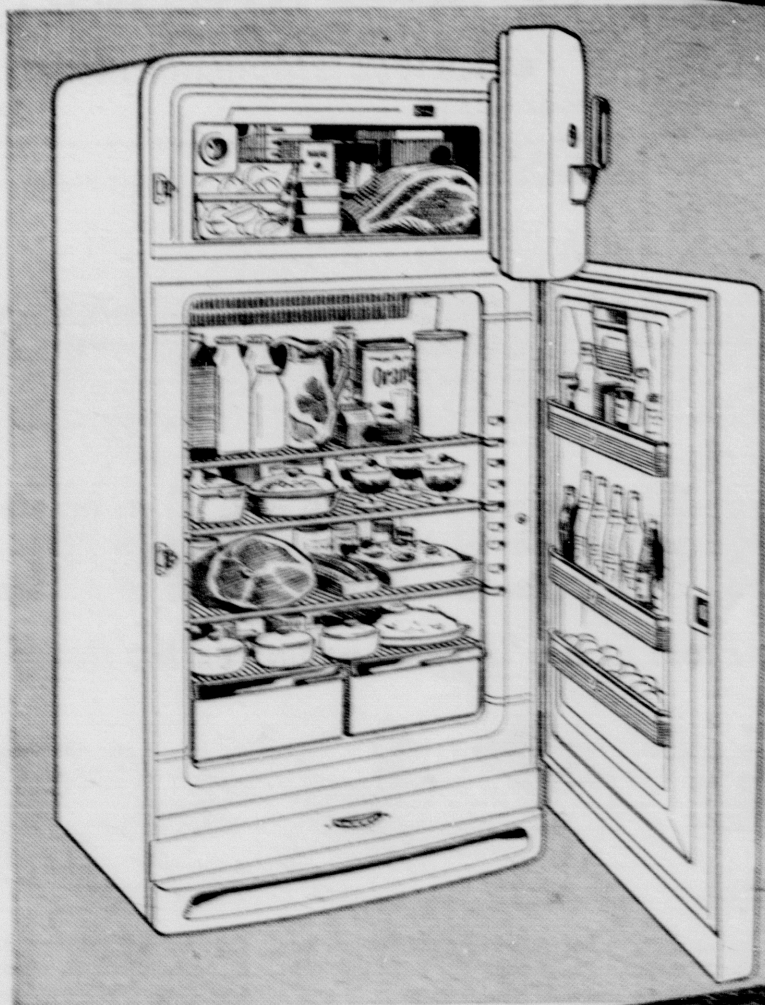

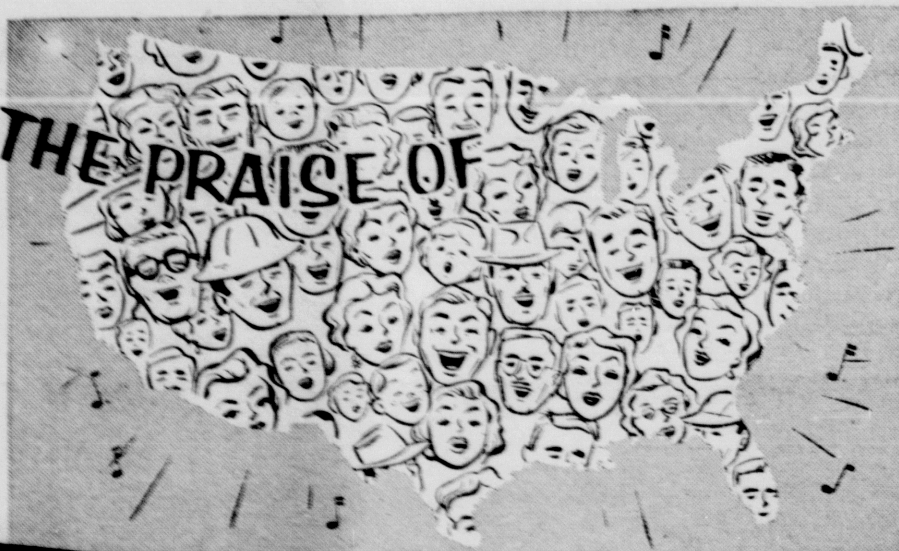

Yours faithfully,  
J. A.

## Lamb-Killing Wolf Trapped On Walter Bendele's Place

By Mrs. Adolph Hutzler

BIRY — Emil Leinweber trapped a large wolf last week on the Walter Bendele place. This wolf had gotten all of Bendele's lambs and probably was back for the ewe.

Last year the Bendeles lost most of their lambs. Let's hope Leinweber finally got the right culprit.

M&M Marvin Haass and son were supper guests at the Alvin Baders Saturday evening.

Emil Leinweber and M&M Alvin Bader visited last Sunday with relatives in SA.

Mrs. Alfred and John Neuman, Mrs. Adolph Hutzler, Mrs. George Schmidt and Mrs. Paul Bendele attended the HD Club women's picnic at Whitehead park at Castroville Wednesday.

Mother's Day dinner guests at the Adolph Hutzler home were M&M Lawrence Tschirhart and children Joyce, Charles and Gregory, M&M Firmin Bendele, Dennis and Stevie of SA, M&M Ralph Hutzler of Del Rio. In the evening M&M Harold Hutzler and daughter Sylvia and Cynthia of SA also called after having attended a communion dinner at LaCoste in honor of Robert Zinsmeyer.

Paul Bendele, Emil Leinweber, Mrs. Alvin Bader and Mrs. Oscar Bendele attended the funeral of George Graff, Sr., at Hondo Wednesday.

M&M Amos Hutzler and daughters visited M&M Ed Bader and family.

M&M D. B. Carl visited a while with the Ed Baders Friday afternoon.

M&M C. A. Henson and son of Hondo visited M&M C. A.

By Mrs. Estella Strayhorn

Mrs. Alfred Neuman, past reporter of council, came to our rescue in the absence of Mrs. Rotan Payne of Natalia and wrote of the council meeting: The Medina County HD council met in the REA Bldg. The chairman, Mrs. Paul Bendele, called the meeting to order and asked the group to repeat the creed.

All nine clubs answered the roll call and Mrs. Dan Menk, secretary, read the minutes. Committees gave reports.

Mrs. J. J. Heisser asked for program and yearbook suggestions for next year. The THDA chairman, Mrs. Oscar Etter, thanked the group for sending her to the district THDA meeting. She also stated the delegates to the state THDA meeting would be elected at the next council meeting.

The committee working on the cook book asked for pie and cookie recipes to be sent to the next council meeting.

Mrs. B. J. Robbins was paid for taking delegates to the district THDA meeting.

The dress revue and county-wide picnic was discussed at length and criticisms both good and bad were discussed. These will be used when committees meet to work out plans for 1956.

The finance committee re-

Mrs. Wayne Clawson of the Medina HD Club showed three attractive bags which she had made using boxes as a base.

Willis, Huntsville Eleven  
Go To Alaska Sept. 16

No sooner will Cecil Willis take over the reins at Huntsville than he'll be leaving — for Alaska.

The 37-year-old LaCoste coach and principal will have had time to know what kind of material he has at a AA school used to winning district titles. Then, the squad and its coaches will play the second game on the calendar Sept. 16 against the Anchorage, Alaska, High School team.

School will be out May 18 because LaCoste students did not take many holidays, leaving Willis the opportunity to meet faculty, students and footballers the week of May 23-27 at Huntsville.

The new Huntsville mentor said he hoped his duties would include track coach because "track and football go together."

The genial Willis, a native of Austin who went to high school and college in San Antonio, was out of coaching and in the nursery business from January, 1950, until last fall. He said he didn't enjoy the nursery business and was sick most of the time. Thus, he got back into coaching boys.

Willis doesn't figure his luck of always having winning teams can last forever, and he is not expecting miracles at Huntsville after having a whirlwind year at LaCoste. The Eagles have just completed a track season, but did not enter regional competition because of the illness of a star competitor, Richard Olivian. The Eagles also capped the basketball title, then lost in bi-district to Barksdale to complete a mark of 20-6. In football it was an 8-3 record, winning district and losing to the powerful Dilley Wolves in bi-district. Season losses were to Sam Houston and Sabinal.

## Good Record

In four years of coaching Willis has compiled a record of 94 victories, 21 losses and seven

ties. He started his coaching career as a junior high mentor at Harlandale where he stayed two years and fashioned a mark of 20 triumphs, no losses and one tie in the Bexar County League.

He spent some time in service, then in civil service before going back to his alma mater as Harlandale High School line coach in '44, '45 and '46. Teams under his tutelage copped 28 victories, had five losses and were tied once. Although the team was Class A it was what today would be classified as AAA because in those days there were only A and AA classifications for all Texas high schools.

At Trinity University in 1947 he served as assistant backfield coach under Bob Coe, then moved to athletic director and backfield coach in the third game of the year. The team won five, lost three and tied two.

In '48 Willis remained as backfield coach for the varsity and head coach of the junior varsity, composed mainly of freshmen players. The team boasted the fifth best record for all colleges in Texas, Willis said. Trinity lost to Mississippi Southern, defeated only by Alabama that season. The junior varsity group went undefeated in eight starts, and became the first Trinity team ever to play in a bowl tilt. That was played in December at the Hub Bowl in Alice against Southwest Texas Junior College at Uvalde, which Trinity won.

The next season in '48 Willis kept his posts but the team had a sorry 5-5 year. Still it played a team of Mexican All-Stars, picked from the college teams of Mexico in the Silver Bowl just before Christmas. The Tigers won this one, too.

In '49 the team won six and lost two.

For track in the spring of '48 Willis as assistant coach saw Herb Falkenburg win the decathlon in the Kansas Relays. He competed on the West Coast and finished seventh in AAU competition in the nation. Also, Lloyd Parker ran third for Trinity in the national AAU at Milwaukee.

Willis obtained a Bachelor of Science degree in Health and Physical Education and also a Master's degree in Education from Trinity University.

After coaching at Trinity the mentor went into the nursery business in June of 1950.

He has been a member of the Southwest Football Officials Assn.

Now, he's a member of the board of directors of the state organization. He has been put in Division 1 classification, making him eligible to call Southwest Conference college games. He worked 11 college games last year but has not yet been called for SWC tilts. He is chief head linesman and president of the local chapter and is still on the board as second vice-president.

In 1953 he coached a semi-pro grid team in San Antonio called Great Western Investment Co., which won seven and lost one. The reversal was to the military champion eleven called the Fort Sam Houston Warriors, led by All-American Gerald Weatherly.

Huntsville will be in the same league with always-tough Mexia

and Brenham, Willis said. Willis said he would be back in this area for the annual coaching school the first week in August.

Arthur L. Haass was installed as new commander, at the regular meeting of Veterans of Foreign Wars Post 8134 in LaCoste Friday, May 6.

His first official act was to appoint Marion Jungman as new post adjutant.

The district meeting scheduled for Sunday, May 29 was changed to Sunday, May 15 because of conflicts with other local celebrations. Zone Instructor Garland Coody of Breckenridge, Texas, will be the principal speaker representing the Department of Texas VFW.

Quintin Ahr was appointed general chairman for a VFW party Saturday night, May 21 at the post home.

Charles Bauerlein was also appointed buddy poppy chairman and reports he has ordered 2,000 poppies for this year's sale. The local sale will be held Saturday, May 28. Proceeds going to help disabled veterans.

A work party was also called by Commander Haass for Friday, May 13 to wax the floor of the post home.

Mother Nature then brought an abrupt end to the meeting by a fiery display of lightning that caused the lights to remain off for three hours.

## QUIHI NEWS

By Mrs. Jack Sharp

News seems to be scarce around these parts. My neighbors didn't do much visiting nor partying last week! And quite a number didn't answer their telephones!

Glad to report that Mrs. Wesley Wiemers is doing nicely at the Medina Hospital after surgery. She will be coming home before many days. Her mother, Mrs. Helen Schroeder, of Knippa is doing the chores about the home and taking care of the children.

Harold Hartmann of SA was a weekend visitor of his parents, M&M Fritz Hartmann.

M&M George Mechler are rejoicing over the arrival of a son on May 9. Mrs. Mechler is the daughter of M&M Ervin Bohmfalk. This is the Bohmfalk's first grandchild. The little "fella" is the first great-grandson of M&M Theodore J. Wiemers.

Lloyd Calvin Lindeburg and Misses Anise and Nancy Lawson of Corpus Christi were Sunday visitors of Lloyd's parents, M&M Arnold Lindeburg. The backyard of M&M A.

C. Strickland was the scene of a ceremonial party on Saturday, May 7 for the Aiciya Group day, May 7 for the Aiciya Group Clinton Wiemers and daughter Linda attended the party.

M&M Alfred Saathoff and daughters, Willie Jean, Dolly and Patricia, Barbara Jean Chapman, Larry Coyle and M&M Herman Gerdes and Archie Ray and Margie enjoyed a fish dinner in SA Sunday. They visited a park in the afternoon.

M&M Aubrey Mooney and children were dinner guests of M&M Willie Hartmann on Sunday.

M&M Roy Pfeil were Mother's Day guests of Mrs. Pfeil's parents, M&M Albert Neumann.

M&M Jimmy Gray and children Frances, Randy and "Pam" and M&M James Gray were Sunday visitors of M&M Albert Haegelin. James Gray returned home from Houston, where he had been confined to a hospital last Tuesday.

Those who enjoyed ice cream with Franklin Muennink on Monday, his birthday, were M&M Frank Muennink, M&M Alfred Boehle and Carolyn, M&M Wilkes Wiemers and children, Doris, Joyce, Judy and Dwayne, and Mrs. Franklin Muennink and children Glenn and Karen.

Sunday visitors in the home of M&M Johnny Schuehle were M&M Gabe Haby, O. A. Beck, M&M Stanley Jagge and sons, Stanley, T. J., and Mike, and Mrs. Alfred Haby.

M&M Lee Mangold had as their guests on Mother's Day their sons, Leon and C. J. and their families.

Sunday dinner guests of M&M Andy Oefinger were M&M Fred Jungman, Jr. and children and M&M Edson Oefinger and children.

Visitors during the week in the home of M&M Frank Muennink were Mrs. Mary Muennink, Mrs. Jay E. Muennink and Beverly, Mrs. Marion Muennink and daughters Dorothy and Rita, Hugo Mumme, and Misses Lillie and Nellie Muennink of SA.

Sunday visitors in the home of M&M Alfred Boehle and Carolyn were M&M Franklin Muennink and children Glenn and Karen, and Harry Heyen and daughter Sue, of New Braunfels.

M&M Alex Tschirhart and Mrs. Edson Oefinger and children Diane and Stevie, were Wednesday visitors of Mrs. Hilmer Bendele and children Debbie and Larry in SA.

## Public Health Important

AUSTIN—"Environmental sanitation is the public health term for clean, safe housekeeping whether it applies to a private home and its surroundings or to towns and cities.

Among other things, it insures safe drinking water, proper garbage and sewage disposal, the safe service of wholesome food including milk, rat and insect control, and general cleanliness of the premises. However, for environmental sanitation to be effective, it is essential that not only public health officials but the citizens living in their respective homes or operating establishments serving the public co-operate wholeheartedly," declared Dr. Henry A. Holle, state health officer.

"Consider, for example, the seasonal housefly hazard. It has been determined that 120 eggs are laid by a single female at one time and that a generation is produced every 10 days at summer temperature. Thus, the possibility of reproduction during the warm months of a single fly runs into many millions. While the housefly does not bite, it is dangerous because it breeds and feeds upon both filth and food.

"Again, rats are the source of several diseases of man including plague, typhus fever, infectious jaundice, and trichinosis, to mention some of the more important ones. Homes can be made comparatively ratproof by removing rubbish and garbage accumulations, and by closing avenues of access. Approved poisons and traps should be employed when a real problem presents itself.

"Removal of containers of stagnant water such as tin cans and barrels will do much to eliminate the mosquito for householders. The householder needs to devote more seasonal attention to mosquito eradication than he is today if this is to be properly controlled.

"In general, good and thorough housekeeping, inside and out, is the personal and civic duty of every home dweller. It not only

## Dr. Edington To Speak To Devine Grads

By Mrs. E. R. Littleton

DEVINE — Dr. Edington, president of Schreiner Institute near Kerrville, will deliver the commencement address May 20 in the high school gym.

Dee Bowman of SA is visiting several days with his sister, Mrs. Dee Littleton, and his brother, M&M E. J. Bowman.

## AMUSEMENTS IN REVIEW

At The Rave:

THE SILVER STAR, with Edgar Buchanan and Marie Windsor is a western of the early days, when the silver star was a badge of honor and respect, won the hard way.

THREE RING CIRCUS is a television of hilarious entertainment with Dean Martin and Jerry Lewis. In the story the two comics join the circus after being discharged from the army. There's an exciting plot with the clowns, trapeze artists and other circus personalities as background for the Martin-Lewis antics.

CATTLE QUEEN OF MONTANA tells the tale of a girl and her father in technicolor, who are bringing their cattle from Texas to file a claim on some land in Montana. From there on the action is fast and exciting, with Indians, renegade whites and cattle rustlers all having a part in this story of hardship, danger and triumph.

At The Hondo Drive In Theatre: MEET DR. JEKYLL AND MR. HYDE will scare you till you laugh for more!

With Bud Abbott and Lou Costello at their zaniest, aided by such chillmasters as Boris Karloff, Helen Westcott and Craig Stevens this is a show to tingle all spines. The second half of the weekend double features presents a technicolor spectacle, THE STAND AT APACHE RIVER, with Stephen McNally, Julia Adams and Hugh Marlow. The plot concerns eight desperate peoples stand against the savage onslaught of Apache hordes.

THE DESERT LEGION, a technicolor adventure of the famous Foreign Legion, with Alan Ladd, Richard Conte and Arlene Dahl, this colorful picture tells the reckless legends about the famous Legionnaires.

At The Medina Valley Drive-In: CAPTAIN LIGHTFOOT is a technicolor romantic adventure yarn, featuring Rock Hudson and Barbara Rush. A weekend double feature includes THE LAW VS BILLY THE KID, starring Scott Brady and Betta St. John, plus JUNGLE MAN-EATERS, a Tar-

zan story with Johnny Weismuller and Karen Booth.

THE FAR COUNTRY is a technicolor adventure of the booming Yukon gold-rush days, with James Stewart, Ruth Roman, Walter Brennan and Corinne Calvet. Filmed in the northern Canadian mountains the story has a scenic grandeur that makes a cattle trek, an avalanche and gold panning an authentic set of actions.

THE ASPHALT JUNGLE, with Sterling Hayden is a story of gangland workings in a city beneath a city, whose activities and struggles reflect the law of the jungle.

## RHEUMATIC FEVER HITS 5-15 GROUP

AUSTIN — The outlook in the fight against rheumatic fever has improved, but this disease, which begins most often between the ages of five and 15, still results in serious heart damage in many cases, declared Dr. Henry A. Holle, state health officer.

Rheumatic fever usually strikes after a nose and throat infection caused by germs of the streptococcus family. An average of three out of 100 of the commonly called "strep" infections are followed by rheumatic fever.

Sulfonamide and penicillin usually can overcome the infection. But if rheumatic fever develops, strict bed rest is the first resort to ease the load on the heart and to help the patient avoid added infection.

Sometimes sulphur or penicillin may be given to the convalescing patient to help avoid a recurrence of the disease. Repeated attacks of rheumatic fever are more likely to lead to heart damage.

The rheumatic heart condition can involve damage to one or more of the four valves of the heart or to the heart muscle itself. Rheumatic fever inflames the valves and muscles and when the inflammation subsides, it usually leaves a scar.

In about two out of three cases this fever leaves no heart damage, or causes so little injury that the victim can regain active, everyday living. In other cases, modern surgery may help. No matter how slight an attack of rheumatic fever may seem, the first and most important thing to do is to follow your doctor's advice to the letter.
